EDUCATION

- **The LNM Institute of Information Technology** — Jaipur, India
  Bachelor of Technology - Computer Science and engineering CGPA:7.34 — *November 2020 - Present*
- **Vidya Sagar Sr. Sec. School** — Jaipur,Rajasthan, India
  May 2019
- **Maheshwari Public School** — Jaipur, Rajasthan, India
  May 2017

EXPERIENCE

- **VitalX** — Remote
  Software Developer (Intern) — *March 2024 - Present*
  - Managed API integration to ensure seamless communication between the backend and frontend.
  - Spearheaded the development of the frontend architecture, leveraging a diverse tech stack to deliver
  - robust and intuitive user interfaces.
  - Solved complex issues arising from the convergence of backend and frontend functionalities, ensuring optimal performance and user experience.
  - React.js — Node.js — PostgreSQL — TypeScript — Next.js — Docker — Github

PROJECTS

- **URL Shortener** — **PostgreSQL Express.js React.js Node.js**
  Web Application — *(February 2024)*
  - Developed a URL shortener web application using the PERN stack, incorporating a base 62 encoding algorithm for generating short URLs and implementing robust error handling.
  - Designed and deployed a user-friendly interface for shortening and managing URLs, achieving positive user feedback for its simplicity and efficiency.
  - Planned future enhancements include integrating analytics for tracking URL usage and implementing user authentication for personalized URL management.

- **GoFood** — **React.js, Node.js, Express.js, MongoDB**
  eCommerce Website — *(November 2023)*
  - Food Delivery app made using MERN stack.The app allows users to order food items.
  - The app is designed to be user-friendly, with a clean and modern interface.
  - This app includes User registration, authentication system and Responsive design for optimal user experience on various devices.

- **Auto Login Network** — **HTML, CSS JavaScript**
  Chrome Extension — *(August 2023)*
  - It is a chrome extension used by user to login in LNMIIT portal page to access Internet services.
  - It automatically disconnects the network and re-login after every 3 hours.

ACHIEVEMENTS

- **Merit Scholarship**, LNMIIT Institute Rank 1
- Finalist, **INNOVATE INDIA CODING CHAMPIONSHIP By AICTE** in association with Coding Ninjas

EXTRA CURRICULAR

- Member, The Committee of Students for Hostel Affairs, LNMIIT (COSHA)
- Member of Management Team, Google Developer Student Clubs (GDSC, LNMIIT)

SKILLS SUMMARY

- **Languages**: C++, JavaScript, SQL, Python, Typescript
- **Development**: Node.js, MongoDB, Express.js, React.js, PostgreSQL, MySQL, HTML, CSS, Tailwind, Bootstrap
- **Tools**: Visual Studio Code, Github, JIRA, pgAdmin, Slack
- **Knowledge**: Data Structures and algorithms, OOPs, Computer Networks
- **Soft Skills**: Team Management, Time Management
